Bogdan Gerasimyuk - Vancouver WA neo-Nazi

Fri, Dec 28, 2018

Matthew Blais and Bogdan Gerasimyuk, two neo-Nazis associated with the Portland Daily Stormer Book Club, are employed by Securitas in Vancouver, WA as private security guards. These individuals have a long history of posting racism, anti-Semitism, and threats of genocidal violence online, and have taken part in organized campaigns of racial intimidation in local Portland and Vancouver neighborhoods, and on college campuses. Having these two fascists licensed and employed as private security in our community is unacceptable. We call upon the community to call Securitas' office in Vancouver and inform them of this fact, as well as make an official complaint to the Washington State Department of Licensing.

Rose City Antifa is exposing the identities of three neo-Nazis who are part of the local Daily Stormer Book Club (DSBC), known as the PDX Stormers. Since 2016, the PDX Stormers have harassed and threatened members of our community with anti-Semitic, white nationalist propaganda as members of the internet's largest community of Nazis and white supremacists, organized via the web forums of The Daily Stormer neo-Nazi website. Today, we identify Vancouver, Washington neo-Nazi Bogdan Gerasimyuk: participant in the Cascadian Coffee Company (CCC) Discord logs (as "cos/sin-WA"), attendee of Patriot Prayer's incessant hate rallies, and member of the PDX Stormers branch of the Daily Stormer Book Club neo-Nazi franchise.

Prior to Gerasimyuk's participation in the CCC logs, he was affiliated with the group of young fascists who coalesced around the "PSU Students For Trump" formation, and was an active neo-Nazi shit-poster on twitter, generally under some variation of the username "chuck schoomer."

(Top) Gerasimiyuk retweets neo-Nazi politician Paul Nehlen, and (Bottom) tweets the english translation of the Nazi salute “Sieg Heil”.

Gerasimyyuk engages with a genre of Lord Of the Rings memes which were briefly

During the interval covered by the CCC logs, Gerasimyuk appeared to be connected with a racist romantic partner who went by the username “Mrs. Chuck Schoomer” in the CCC logs as well as on a twitter account with the handle “AryanRWDS_PDX”. Among fascists, “RWDS” is a common acronym for “Right Wing Death Squad”. This user is also referred to as “Molly” in internal chat logs.

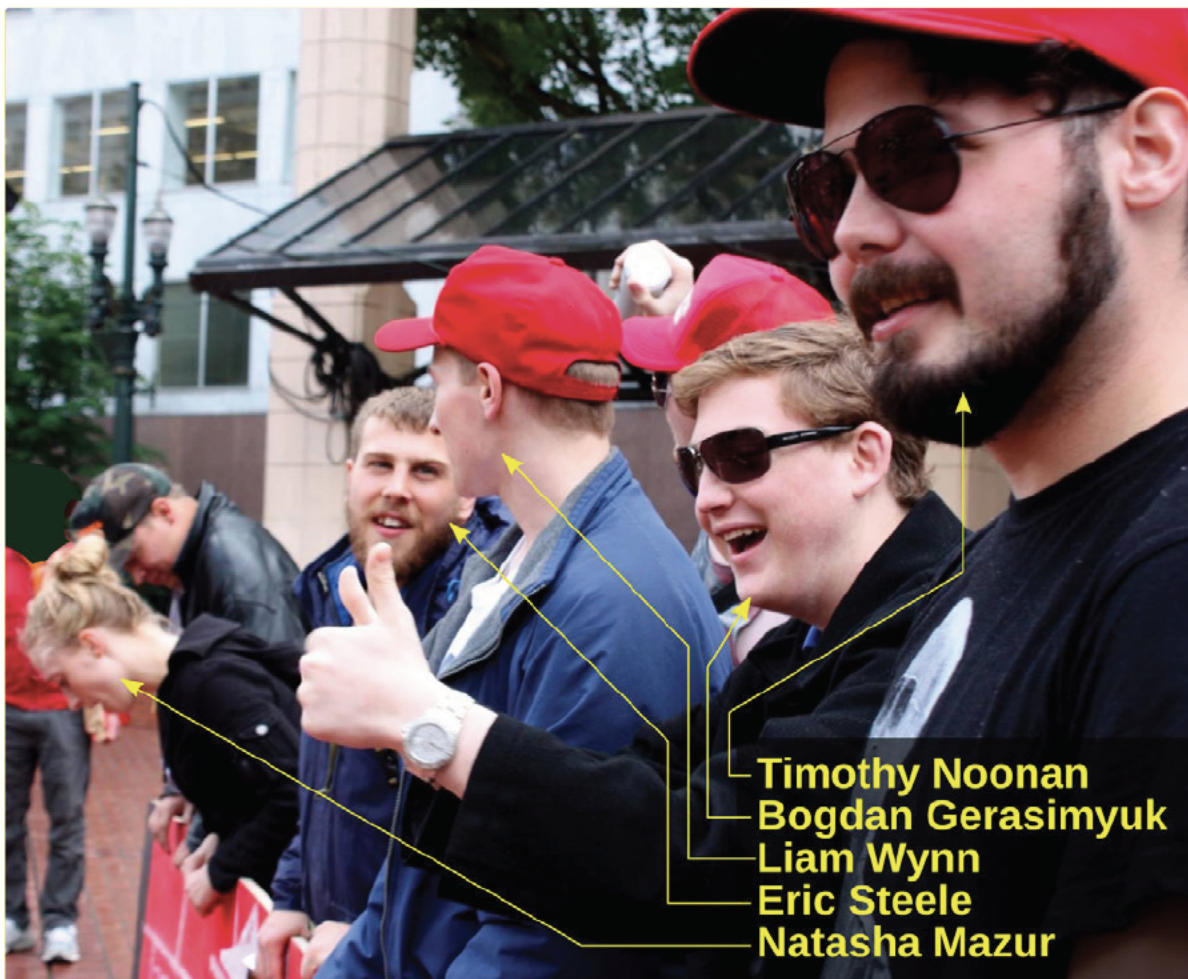

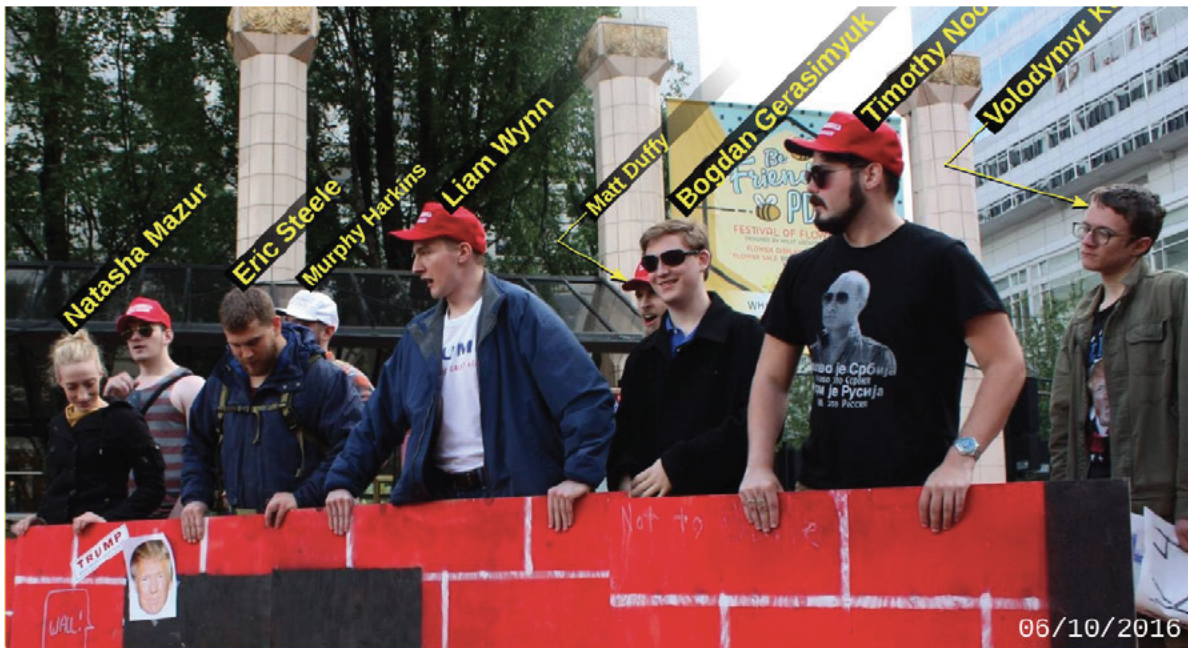

Racist discord and twitter posts by “Mrs. Chuck Schoomer”.

We will be laying out Gerasimyuk’s participation in certain events around the Pacific Northwest, but readers should keep in mind the high likelihood that he and other members of the PDX Stormers neo-Nazi organization also collaborated in racist propaganda intimidation incidents as detailed in our introductory article.

June 10, 2016

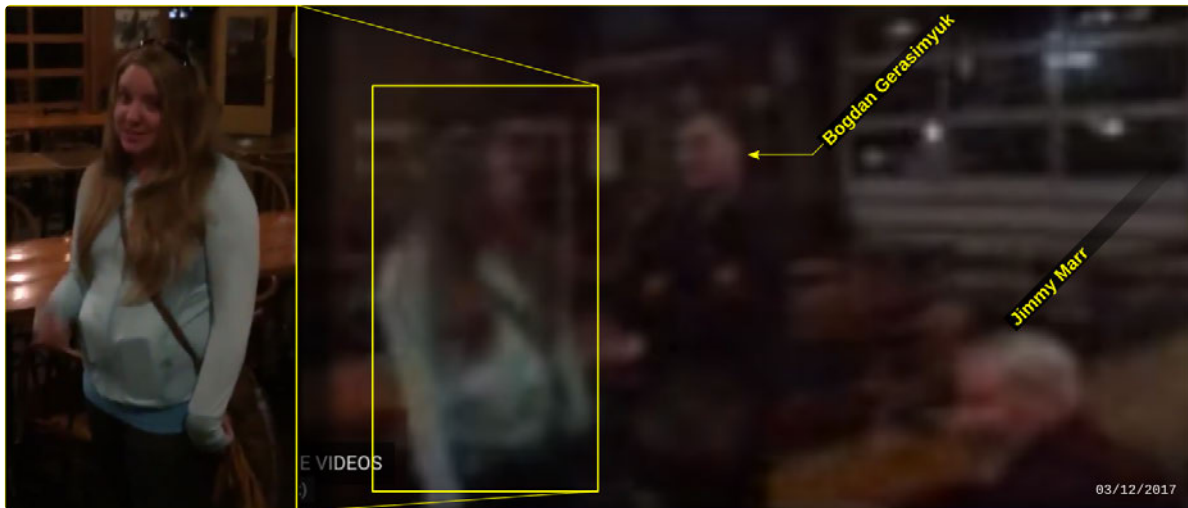

Before the election of Donald Trump, Gerasimyuk participated in actions undertaken by a group calling themselves “PSU Students For Trump” which turned out to be composed almost entirely of young fascists and neo-Nazis.

Gerasimyyuk participates in a "PSU Students For Trump" demonstration with other young fascists such as Liam Wynn, Timothy Noonan, Volodymyr Kolychev, Matt Duffy, Natasha Mazur, Andrew Murphy Harkins, and Eric Steele.

Along with Matt Blais, Bogdan Gerasimyuk also appears to have been present at the altercation in the Lucky Lab which took place in early 2017.

In low-resolution footage from the altercation, Bogdan Gerasimyuk can be seen standing next to another participant (Possibly “Mrs. Chuck Schoomer”) during a neo-Nazi meetup at the Lucky Lab in Portland, OR. Springfield, OR Nazi Jimmy Marr can be seen in the foreground.

April 2, 2017

Gerasimyuk and other members of the PDX Stormers attended Joey Gibson’s rally in Vancouver, WA as an opportunity to organize, network, and propagandize among Gibson’s followers.

Bogdan Gerasimyuk mingles with Patriot Prayer followers.

Leaked internal chats reveal Matt Blais (aka "Not Alois Brunner") and Bogdan Gerasimyyuk (aka "ChuckShoomer") in coordination with other neo-Nazis such as Jimmy Marr prior to Joey Gibson's rally. It also gives a glimpse of the glee Gerasimyyuk felt at being able to openly yell racial slurs while among Joey Gibson's racist followers.

April 22, 2017

On April 22, 2017, central Oregon neo-Nazi Jimmy Marr had a party to celebrate Hitler's birthday. A number of the members of the CCC Discord gathered there. In the screen image below, Gerasimyyuk and "Mrs Chuck Schoomer" say that they will be in attendance. This is the same party for which Bethany "Weed Nazi" Sherman made cookies in the shape of a swastika.

@everyone Jimmy's seeking some feedback on if anyone is planning to join us at his house on the afternoon of Saturday, the 22nd for a casual Hitler's bday get together. Please advise if you intend on attending. Ty

In the CCC Discord, Gerasimiyuk (aka cos/sin-WA) and his partner RSVP to Jimmy Marr's Hitler birthday party.

@14th_word made swastika cookies for Uncle's bday at Jimmy's. We had a really good time, all muh favorite nutzees were there...

Blackhat 16 · Yesterday, 9:24 PM

Matthew Combs (aka Blackhat 16) reports that Bethany Sherman (aka 14th_word) made swastika cookies for Marr's party.

April 29, 2017

On April 27, 2017 Bogdan Gerasimiyuk alerted other members of the CCC discord to Joey Gibson's upcoming opportunistic far-right rally in the immigrant neighborhood of Montavilla. Notably, Gerasimiyuk posted a screenshot of the event which had clearly come from the facebook account of Jake Von Ott, suggesting that the two of them had already been in contact for some time before these events.

Europa & the Daily Stormer Book Club) as well as Jake von Ott (at the time, Ott was the “regional coordinator” for Identity Europa in Oregon).

Bogdan Gerasimyuk associates with other fascists such as “Germany,” Alex Becker, Liam Wynn, and Jake Von Ott while at Joey Gibson’s far-right rally.

Alrighty so there is Vestal elementary school close to the park and meet up I'm gonna be there at 920 then move to meet with other guys at the listed meet up sight. If you want to walk with us all are welcome.

Will probably be meeting at the park. We will be there a little closer to 10. I looked it up on google. It should be relatively easy to find you guys.

Goy

Gerasimyuk discusses his plans to wear a hard hat decorated with fascist slogans in the CCC logs (Left) and a private twitter chat (right). Note the “14” on the hat’s front brim, signifying the infamous neo-Nazi “14 words” slogan. “Goy” is short for

ridiculous belief that they are persecuted by a Jewish conspiracy.

The sides of Gerasimyuk's helmet read "RWSS" at Joey Gibson's April 29, 2017 hate rally. Many internet Nazis claim that "RWSS" stands for "Right Wing Safety Squad," but in fact it is a reference to Hitler's SS, as demonstrated in the snippet of 4chan chatter included (bottom).

Gerasimiyuk wore a “parteiadler” Nazi pin to Patriot Prayer’s April 29, 2017 rally, when he attended with other PDX Stormers. Other attendees made him remove it because it made Gibson’s event look bad, but the PDX Stormers were allowed to stay.

June 4, 2017

While it is unclear whether or not Gerasimiyuk actually attended Joey Gibson’s June 4, 2017 hate rally in the immediate aftermath of Patriot Prayer follower Jeremy Christian’s double murder on the MAX train, he was active in discussions within the CCC logs in planning for an anti-semitic banner drop which was ultimately carried out by Matthew Stafford (aka My Name Is Hate) and a user called “seapea.” In discussions leading up to this event, Gerasimiyuk once again acted as an organizational conduit between CCC members and the Identity Europa white nationalist organization.

Identity Evropa will be there in force. I imagine that TC will as well.

cos/sin-WA 2017-05-21 19:49:32

16 IE guys will be there for sure.

Jimmy Marr 2017-06-03 14:04:31

I propose that Central Oregon Aryans join with PDX Stormers to display a "Jews Did 911" banner from the pedestrian overpass spanning I-205 at S.E. Main. We will need at least 6 men to hold the banner.

cos/sin-WA 2017-06-03 14:38:38

Jimmy Marr 2017-06-03 16:04:26

What day?

cos/sin-WA 2017-06-03 23:21:14

Tomorrow dose not work for me as I have to work tonight and already decided on an action plan. Any other day with a little bit more notice.

(Top) Excerpts from the CCC logs show Bogdan Gerasimyuk and Matthew Blais informing other participants regarding Identity Europa's plans for Joey Gibson's hate rally. (Middle) Jimmy Marr calls for fellow-neo-Nazis in the CCC discord help him display an anti-Semitic banner over the freeway in Portland. Gerasimyuk initially volunteers, but later (Bottom) bails out on the plan.

Members of the CCC chat hold an anti-Semitic banner over I-205 in SE Portland during Joey Gibson's hate rally downtown.

August 6, 2017

Gerasimiyuk was one of a large number of fascists who attended Joey Gibson's violent hate rally on the waterfront in August of 2017. Members of the Proud Boys hate group assaulted Portland activists alongside fascists from Identity Europa as well as neo-Nazis from organizations like the PDX Stormers.

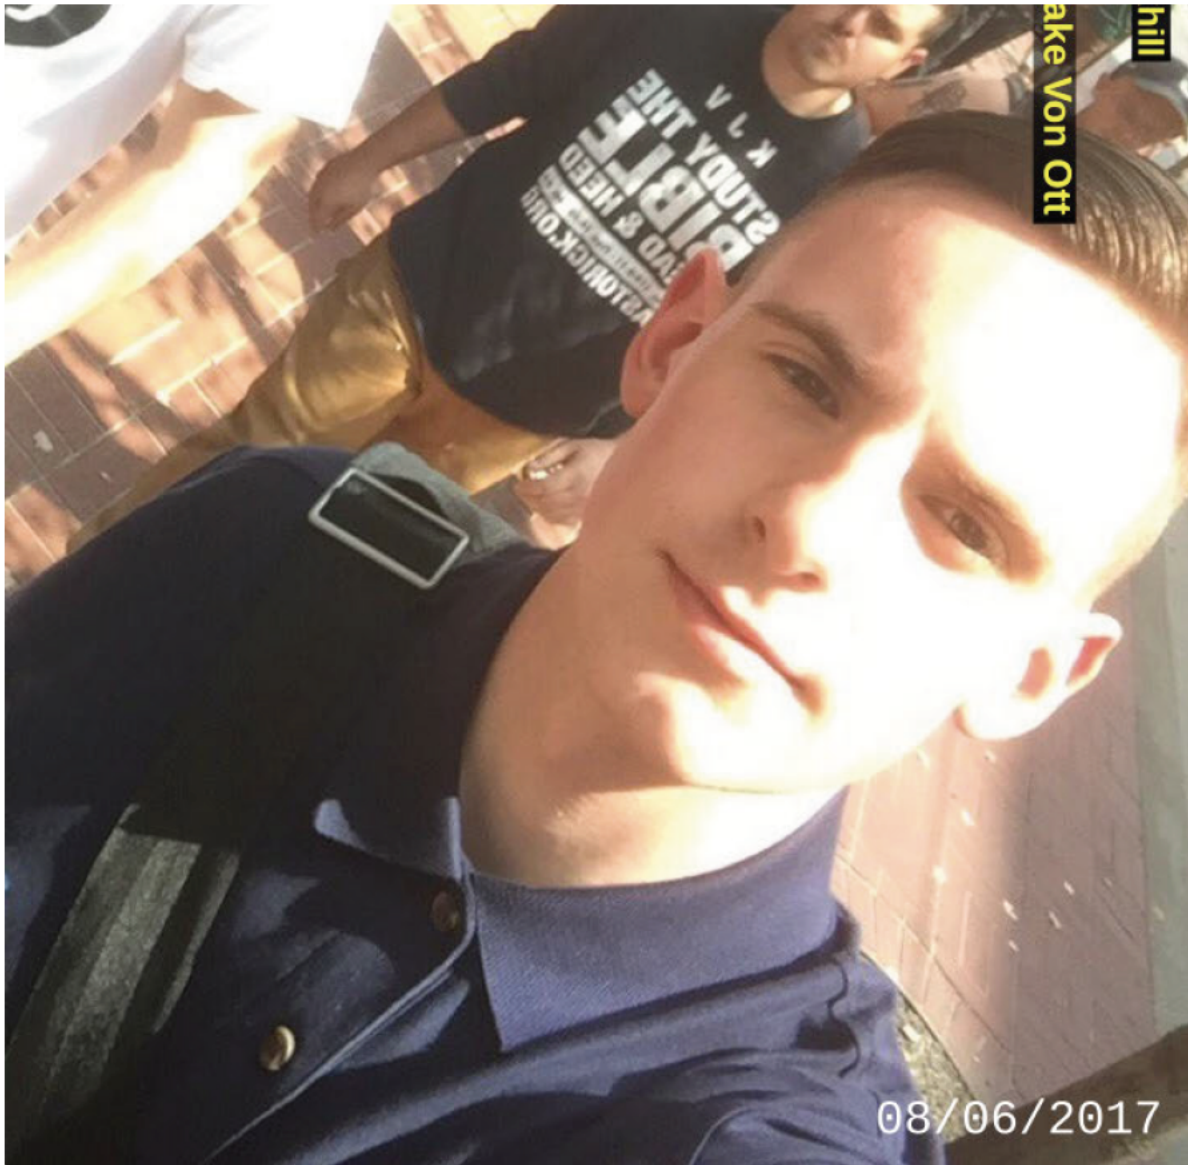

Bogdan Gerasimiyuk is seen participating at Joey Gibson's Patriot Prayer hate rally in the company of hate preachers Blake Sheely & Arcadio Pena; Patriot Prayer anti-Semite Kristopher Foster; domestic abuser Quincy Franklin (aka Quincy Anatello); pedophile Patriot Prayer videographer Matthew "Deme" Cooper, violent white

Gerasimyuk is seen with fellow fascists Cody Bussard, Thorsson Snyder, and Allen Pucket; as well as with failed Oregon congressional candidate Joey Nations, failed Washington senate candidate and disgraced Patriot Prayer founder Joey Gibson, Proud Boys hate group member Donovan Flippo, and violent Patriot Prayer videographer Kerry Hudson.

Also visible are white nationalist hate preacher Allen Pucket, hate preacher Arcadio Pena, hate preacher and domestic abuser Quincy Franklin, hate preacher Blake Sheely, as well as neo-Nazis Mike Dorsey, Thorsson Snyder, and Jarl Rockhill.

November 11, 2017

On the anniversary of the murder of Mulugeta Seraw by neo-Nazis in Portland, OR, the PDX Stormers collaborated with Joey Gibson's Patriot Prayer followers to hold an "It's Okay To Be white" rally on a nearby freeway overpass in Vancouver, WA. Many neo-Nazis were present, and among them Raul Gonzalez displayed a knife with a swastika on it. A large number of anti-fascists showed up to oppose the fascist display.

Gerasimyuk is seen with other neo-Nazis Raul Gonzalez, "Might is Right," Alex Becker, Matthew Blais, and deceased Patriot Prayer YouTube Leo Stratton.
